About The National Hispanic Leadership Agenda

The National Hispanic Leadership Agenda (NHLA) was founded in 1991 as a nonpartisan coalition of preeminent national Latino organizations from across the nation. NHLA's mission calls for a spirit of unity among Latinos nationwide to provide the Latino community with greater visibility and a clearer, stronger voice in public policy. NHLA seeks a consensus among Hispanic leaders to help create policies and programs that promote public awareness of the major issues facing Latinos.

As of August 2014, the NHLA coalition includes 39 member organizations governed by a board of directors comprised of the leaders of these national Latino civil rights and public policy organizations. NHLA coalition members represent the diversity of the Latino community in ethnic and racial makeup, as well as issue diversity covering topics ranging from civic engagement to health, representation in the media and federal government, to immigration policy and everything in between.

NHLA promotes consensus among Latino leaders and uses its collective voice to frame public policies and raise public awareness of the major issues that affect Latinos at the national level.

The goals that guide the NHLA's mission are:

- 1. To identify, analyze, and shape public policies on Latino issues based on a national consensus of Latino leaders.
- 2. To prepare and disseminate a consensus-based policy agenda that specifies the nature and scope of Latino concerns and needs throughout the country.
- 3. To promote greater awareness of and attention to Latino concerns among the nation's policymakers, corporate America, civic community leaders, and the general public.

To accomplish these goals NHLA issues reports, policy documents, and statements on issues affecting the Latino community including the Congressional Scorecard and items below. In addition, NHLA builds campaigns around central priorities, such as Latinos United for Immigration Reform, Latinos United for a Fair Economy, Latinos United for Voting Rights, and Latinos United for Healthcare. The coalition also manages two programs to strengthen the Latino leadership pipeline -- the Latino Appointment Program (to support Latinos pursuing presidential and state-level appointments) and Latinas Represent (a partnership with Political Parity to embolden communities to help change the fact that Latinas are currently just one percent of state and federal elected officials).

Congressional Scorecard

NHLA issues a Congressional Scorecard to educate the public, media, and Members of Congress on important votes taken in the House and Senate, which affect the social, economic, and political advancement and quality of life of Latinos. The goal is not to influence elections but rather to provide important legislative feedback to the public as well as to shape the upcoming legislative agenda in the remaining days of this Congress and into the next Congress.

This document is not meant to be a complete list of all issues important to the Latino community, but rather a review of the top civil rights issues for our community, of the 113th Congress.

Administration And Cabinet Agency Report Cards

NHLA periodically issues an assessment of the Administration on its efforts to ensure the full inclusion of Latinos throughout the federal workforce and issues a Report Card on the level of Hispanic employment within each federal agency. These reports are issued separately.

Policy Agenda

Every four years, NHLA issues a comprehensive national public policy document providing issue analyses and policy recommendations for issues affecting Latinos. The national public policy agenda is distributed to the Administration, federal agencies, Congress, state and municipal governments, corporate America, and Hispanic-Serving Institutions throughout the nation. The last one was disseminated in 2012 and provides a blueprint for advancing the Latino community.

Acknowledgments

This report reflects the cooperative efforts of many member organizations and committees of the National Hispanic Leadership Agenda (NHLA), as well as NHLA staff and coalition support staff. All of the votes were selected and bill descriptions were prepared by members of NHLA organizations and coalition staff.

The Immigration Committee Chairs: Mexican American Legal Defense and Educational Fund (MALDEF), Hispanic Federation (HF), and Hispanic Association of Colleges and Universities (HACU), as well as the Economic Empowerment Committee Co-chairs: National Council of la Raza (NCLR) and United States Hispanic Chamber of Commerce (USHCC) were crucial to the development of the final product.

Thanks in particular to the staff who contributed to the Scorecard by following key votes at the Committee and Floor level, sending letters in advance of votes to Members of Congress, and writing and creating the scorecard -- from MALDEF James Ferg-Cadima and Jose Magaña-Salgado, from HF Bertha A. Guerrero, from LCLAA Victor Baten, and from NHLA Melody Gonzales and Carmen Orozco-Acosta, Ph.D. The Raben Group also provided important consulting services, particularly Michael Torra and Jonathan Kent. This was a team effort from the beginning through the final stages of production and we are grateful for everyone's contributions.

The content of this report is the sole responsibility of NHLA and does not necessarily represent the views of any single NHLA individual member, member organization, or contributor. Nothing in this report is intended to constitute an endorsement, direct or implied, of any candidate for political office.

Foreword

August 2014

Saludos,

The National Hispanic Leadership Agenda (NHLA) is pleased to issue the 2014 Congressional Scorecard covering the 113th Congress. The Scorecard identifies key votes for a range of issues and documents how Members of Congress voted. NHLA is a nonpartisan coalition of 39 public policy and civil rights organizations which advocates for policies that address socioeconomic issues and the civil rights of a diverse community of 54 million Latinos living in the United States and its territories. NHLA's policy recommendations seek to ensure that the growing Latino community has the fullest opportunity for social, economic, and political advancement - together with every American who is a part of this great nation.

The NHLA Congressional Scorecard is a consensus document that reflects the views of the leading national Latino organizations in the United States. The votes included in the Scorecard have been identified by NHLA member organizations as having an impact on Latinos. NHLA sent letters to Congress ahead of each vote to advise them of their concerns on the legislation being considered and to let them know that their votes would be included in the NHLA Scorecard.

As useful as the Scorecard is for monitoring the performance of Congress, it is equally important to recognize that an assessment of the contributions of any individual Member of Congress should include actions that are not reflected by their voting record. Many Senators and Representatives contribute in ways other than through voting in Congress, such as by sponsoring and co-sponsoring important bills, through services they offer to their constituents, and by ensuring that their districts receive adequate federal funding to support economic development and other programs. Conversely, some Members of Congress have done little to address the concerns of Latinos - they have worked against legislation that would further assist the advancement of Latinos or have opposed programs that have proven to be effective in fostering the advancement of our community. Therefore, we encourage you to consider various sources of information before passing judgment on any particular Member of Congress.

As Latinos in America, we look forward to a system of government that embraces opportunity, fairness, justice, and protect the pursuit of our inalienable rights and the guiding principles of our democracy - regardless of race, ethnicity, religion, color, gender, or sexual orientation.

We believe that the remarkable growth of the Latino population is a source of strength for the entire nation, which will reach its full potential when our nation's policies ensure that Latinos and all Americans have the opportunity to prosper and contribute to our society. I want to recognize the member organizations of NHLA for their unwavering support and almost 25 years of hard work to build our coalition. Through their efforts, we have created the only coalition of its kind in the nation. I also want to express my appreciation to the NHLA members and staff who worked to produce this scorecard. Finally, thank you for your attention to this document and for your interest in the issues NHLA believes are important to the social, economic, and political advancement of Latinos.

Sincerely,

Hector E. Sanchez

Chair, National Hispanic Leadership Agenda

Executive Director, Labor Council for Latin American Advancement

Methodology

Continuing a practice initiated in our previous Congressional Scorecards, the Board of Directors of the National Hispanic Leadership Agenda (NHLA) authorized the publication of its 2014 Congressional Scorecard covering the first and second sessions of the 113th Congress. By combining first and second session votes from January 2013 to August 2014, NHLA members believe that the Scorecard more accurately reflects Members' voting records on measures that impact the Latino community than either a single session Scorecard or no Scorecard at all.

The fundamental purpose of the Scorecard is to ensure that leaders, organizations, the public, and the media are fully informed about the performance of federal legislators on issues of importance to the Latino community. In addition, NHLA seeks to ensure that U.S. Representatives and U.S. Senators are fully aware that their key votes on issues of particular significance to Latinos will be scrutinized and published.

NHLA used three basic criteria to select key votes:

- Importance of the vote to the Latino community, measured both substantively and symbolically
- Prior notification to Members of Congress regarding the position of NHLA member organizations, as evidenced by a formal communication
- Substantial consensus, although not necessarily unanimity, among NHLA member organizations regarding the "pro-NHLA" position

Each vote is also given equal weight in the scorecard.

Key Votes

In each of the following sections, each key House and Senate vote is characterized by a bill or amendment number, a brief description, final vote tally, and identification of the "pro-NHLA" position. Below is a comprehensive list of all the votes that were scored.

The bill also would prohibit individuals with adjusted gross incomes of \$1 million or more from receiving benefits. The bill passed the Senate on April 7, 2014 by a vote of 59-38 (3 not voting) (Roll Call Vote No. 101, 2nd Session, 113th Congress), Democrats – 51 yes, 0 no, 2 not voting; Republicans – 6 yes, 38 no, 1 not voting; Independents – 2 yes, 0 no. A: H.R. 3979 **B:** S. 1845 Cloture (Jan 14) **C:** S. 1845 Cloture (Feb 6)

House Floor Votes

A. On passage of the Nutrition Reform and Work Opportunity Act (H.R. 3102)

The bill would have reauthorized through fiscal 2016 the Supplemental Nutrition Assistance Program (SNAP) and cut funding for it by \$40 billion over 10 years. The bill would establish a pilot program to allow states to impose new work requirements on SNAP recipients, including parents of young children exempt under current law. It would also require that individuals receive at least \$20 or more in aid through the Low Income Home Energy Assistance Program to qualify for automatic increases in SNAP benefits, and it would authorize states to conduct drug testing on applicants as a condition of receiving benefits. The Congressional Budget Office estimated that this bill would end benefits for approximately 3.8 million low-income people in 2014, including children, seniors, veterans, active duty military, and working parents earning low wages. The bill passed the House on September 19, 2013 by a vote of 217-210 (6 not voting) (Roll Call Vote No. 476, 1st Session, 113th Congress), Democrats - 0 yes, 195 no, 5 not voting; Republicans - 217 yes, 15 no, 1 not voting. NHLA did not support the legislation.

B. To amend the Internal Revenue Code of 1986 to make improvements to the child tax credit, Child Tax Credit Improvement Act of 2014 (H.R. 4935)

Amends the Internal Revenue Code, with respect to the Child Tax Credit, to 1) raise the income threshold for the phase out of the Child Tax Credit for married couples, 2) allow an inflation adjustment to the threshold amounts and the \$1,000 credit amount beginning after 2014, and 3) eliminate the Child Tax Credit for taxpaying parents who file tax returns using an Individual Taxpayer Identification Number (ITIN). ITINs are commonly used by individuals who are not eligible to obtain a Social Security number, including lawfully present individuals, such as certain survivors of domestic violence, Cuban and Haitian entrants, spouses and children of individuals with employment visas, as well as undocumented immigrants with U.S. citizen children. The bill passed the House on July 25, 2014 by a vote of 237-173 (22 not voting) (Roll Call Vote No. 451, 2nd Session, 113th Congress), Democrats - 25 yes, 168 no, 6 not voting; Republicans - 212 yes, 5 no, 16 not voting. NHLA opposed this legislation.

A: H.R. 3102

B: H.R. 4935

Government Accountability: Political Appointments

Following are five Senate confirmation votes for Latinos whose nominations to serve in President Barack Obama's second-term Administration were supported by NHLA.

It is also worth noting that there are additional nominees, such as U.S. Small Business Administration Administrator Maria Contreras-Sweet, who were confirmed by voice vote and others who are still awaiting a final floor vote in the U.S. Senate. They will not appear on this table but are listed at Latinoappointments.org.

A. Thomas E. Perez, Secretary, U.S. Department of Labor

President Obama nominated Perez on March 18, 2013 to replace outgoing Labor Secretary Hilda Solis. On July 17, 2013 the Senate voted 60-40 for cloture, formally ending the filibuster Perez's nomination. On July 18, 2013, the Senate voted 54-46 to confirm him (121 days from nomination to confirmation).

B. Katherine Archuleta, Director, U.S. Office of Personnel Management

Immigration Reform Addendum

The votes in the addendum took place in the Senate and House Judiciary committees, and they are not included in the calculation of the Members' overall percentage scores as only a portion of the total number of Members in each chamber are represented on the committees. Nevertheless, these debates on immigration within these two committees offered insight into the breadth and complexity of immigration reform.

Known as "regular order," the congressional committee process involves marking up legislation before reporting it to the House or Senate floor. The use of regular order - especially in the Senate - represents a marked departure from the recent historical trend of bypassing the committee process or truncating debate and amendments within committee. Regular order allows members of Congress who have expertise in areas related to legislation to more closely review, analyze, and amend legislation. Accordingly, NHLA looked closely at amendments and legislation in the committee process; identified those that had the greatest impact on legalization, due process, and benefits; and included them as an aside within the NHLA congressional scorecard.

SENATE JUDICIARY COMMITTEE

Franken Amendment 7 (ARM13584) to Border Security, Economic Opportunity, and Immigration Modernization Act (S. 744)

Sen. Franken (D-Minnesota) offered an amendment to the Border Security, Economic Opportunity, and Immigration Modernization Act to improve immigration enforcement policies to protect child wellbeing and promote family unity by ensuring that immigrant parents are able to make decisions regarding childcare at the time of apprehension, while in immigration detention, and prior to and following removal. The Senate Judiciary Committee adopted the amendment on May 20, 2013, by a vote of 18-0, Democrats – 10 yes, 0 no; Republicans – 8 yes, 0 no. NHLA supported the amendment.

Feinstein Amendment 1 (EAS13279) to Border Security, Economic Opportunity, and Immigration Modernization Act of 2013 (S. 744)

Sen. Dianne Feinstein (D-California) offered an amendment to the Border Security, Economic Opportunity, and Immigration Modernization Act that broadens the definition from those convicted of certain crimes to those charged with certain crimes for purposes of reimbursement of state and local governments under the State Criminal Alien Assistance Program (SCAAP). This could incentivize greater state or local enforcement. The Senate Judiciary Committee adopted the amendment on May 9, 2013, by a vote of 10-8, Democrats – 3 yes, 7 no; Republicans – 7 yes, 1 no. NHLA opposed the amendment.

Sessions Amendment 9 (EAS13443) to Border Security, Economic Opportunity, and Immigration Modernization Act of 2013 (S. 744)

Sen. Jeff Sessions (R-Alabama) offered an amendment to the Border Security, Economic Opportunity, and Immigration Modernization Act that requires completion of the 700 miles of reinforced, double-layered fencing before the Administration grants registered provisional immigrant (RPI) status. The Senate Judiciary Committee rejected the amendment on May 9, 2013 by a vote of 6-12, Democrats – 0 yes, 10 no; Republicans – 6 yes, 2 no. NHLA opposed the amendment.

Cruz Amendment 2 (DAV13373) to Border Security, Economic Opportunity, and Immigration Modernization Act of 2013 (S. 744)

Sen. Ted Cruz (R-Texas) offered an amendment to the Border Security, Economic Opportunity, and Immigration Modernization Act that denies United States citizenship to anyone who has ever previously been in the US while not in lawful status. This approach would prevent registered provisional immigrant (RPI) holders and blue card holders from having the opportunity to eventually naturalize and may even retroactively repeal the naturalization of certain U.S. citizens. The Senate Judiciary Committee rejected the amendment on May 21, 2013 by a vote of 5-13, Democrats – 0 yes, 10 no; Republicans – 5 yes, 3 no. NHLA opposed the amendment.

Cruz Amendment 4 (MDM13526) to Border Security, Economic Opportunity, and Immigration Modernization Act of 2013 (S. 744)

Sen. Ted Cruz (R-Texas) offered an amendment to the Border Security, Economic Opportunity, and Immigration Modernization Act that rewrites Sections 2303 (repeal of diversity visa lottery), 2304 (world-wide levels and visa recapture), 2305 (reclassification of spouses and children of legal permanent resident (LPR) as immediate relatives), 2306 (country caps), and 2307 (allocation of visas) of S.744. This approach would reduce family-sponsored immigration and would make it harder to reunite families. The Senate Judiciary Committee rejected the ammendment on May 21, 2013 by a vote of 6-12, Democrats – 0 yes, 10 no; Republicans – 6 yes, 2 no. NHLA opposed the amendment.

Grassley Amendment 17 (EAS13399) to Border Security, Economic Opportunity, and Immigration Modernization Act of 2013 (S. 744)

Sen. Chuck Grassley (R-lowa) offered an amendment to the Border Security, Economic Opportunity, and Immigration Modernization Act that limits judicial review of decisions on applications for adjustment to registered provisional immigrant (RPI), DREAM Act, Blue Card, or legal permanent permanent resident (LPR) status from one the aforementioned statuses. This would abolish most judicial review of decisions and direct claims to the United States District Court of the District of Columbia. The only exemption would be for challenges to the constitutionality of the law itself or the regulations. The Senate Judiciary Committee rejected the amendment on May 21, 2013 by a vote of 6-12, Democrats – 0 yes, 10 no; Republicans – 6 yes, 2 no. NHLA opposed the amendment.

Lee Amendment 15 (ARM13492) to Border Security, Economic Opportunity, and Immigration Modernization Act of 2013 (S. 744)

Sen. Mike Lee (R-Utah) offered an amendment to the Border Security, Economic Opportunity, and Immigration Modernization Act that adds "intent" requirement to the bill's employment discrimination protections based on national origin or citizenship. This approach would unduly limit the ability to prove unlawful discrimination, foreclosing the use of methods of proof long sanctioned by the Supreme Court. The Senate Judiciary Committee rejected the amendment on May 20, 2013 by vote of 6-12, Democrats – 0 yes, 10 no; Republicans – 6 yes, 2 no. NHLA opposed the amendment.

Border Security, Economic Opportunity, and Immigration Modernization Act of 2013 (S. 744)

The Border Security, Economic Opportunity, and Immigration Modernization Act reforms virtually every aspect of the country's immigration system, including border security, legal immigration, interior enforcement, and the creation of a roadmap to citizenship for part of the nation's undocumented population. The Senate Judiciary Committee adopted the legislation on May 21, 2013 by a vote of 13-5, Democrats – 10 yes, 0 no; Republicans – 3 yes, 5 no. NHLA supported the legislation.

HOUSE JUDICIARY COMMITTEE

Legal Workforce Act of 2013 (H.R. 1772)

The Legal Workforce Act directs the Secretary of Homeland Security to establish an employment eligibility verification system, patterned after the E-Verify system, and eliminates the current paper-based I-9 system. The House Judiciary Committee adopted the legislation on June 26, 2013 by a vote of 22-9, Democrats – 0 yes, 9 no; Republicans – 22 yes, 0 no. NHLA opposed the legislation.

Agricultural Guestworker Act of 2013 (H.R. 1773)

The Agricultural Guestworker Act reforms the agricultural guestworker program by creating a new category: H2C. This program would allow temporary workers to come to the United States to work in agricultural-related fields without employee or due process protections. The House Judiciary Committee adopted the legislation on June 19, 2013 by a vote of 20-16, Democrats – 0 yes, 16 no; Republicans – 20 yes, 0 no. NHLA opposed the legislation.

Strengthen and Fortify Enforcement (SAFE) Act of 2013 (H.R. 2278)

The SAFE Act would dramatically increase interior immigration enforcement, expand grounds for removal, and allow state and local governments to enforce immigration law. The House Judiciary Committee adopted the legislation on June 18, 2013 by a vote of 20-15, Democrats – 0 yes, 15 no; Republicans – 20 yes, 0 no. NHLA opposed the legislation.

Footnote

S. 744, the Border Enforcement, Economic Opportunity, and Immigration Modernization Act of 2013, was a comprehensive bill that would have reformed our nation's antiquated immigration system and provided a roadmap to citizenship for the nation's undocumented population.

S. 744 included several provisions NHLA supported in the areas of legalization, legal immigration reform, federal and state benefits, integration, enforcement reform, detention reform, and due process.

Legalization provisions NHLA supported include: (1) a roadmap to citizenship for eleven million undocumented immigrants beginning with a "registered provisional immigrant" (RPI) status; (2) a shortened roadmap to citizenship for DREAM Act-eligible youth; (3) a shortened roadmap to citizenship for agricultural workers via a new "blue card" status; (4) a ten-year backstop to issue visas in case of litigation over the new law; (5) the suspension of removals for prospective RPI applicants; (6) the optional extension of the application period for RPI status for an additional eighteen months; (7) the allowance of "brief, casual, and innocent" breaks in presence for applicants; (8) a duty for immigration authorities to engage in a multilingual information campaign to reach prospective applicants; (9) the establishment of legal assistance grants; (10) the allowance of a single family application for RPI status; and (11) the allowance of RPI self-petitioning in the case of death, divorce, or domestic violence.

Legal immigration reform provisions NHLA supported include: (1) the reduction of the waiver standard for the three- and ten-year bars from "extreme hardship" to "hardship;" and (2) classifying dependents of Lawful Permanent Residents (LPRs) as immediate relatives.

Federal and state benefit provisions NHLA supported include: (1) an ability for all employment-authorized individuals to obtain commercial, professional, and business licenses and sit for corresponding professional and licensing exams; (2) the opening of federal loans, work study, and services to college-bound immigrants; and (3) the partial lifting of the ban on Legal Service Corporation access for many farmworkers.

Integration provisions NHLA supported include: (1) the creation of a Task Force on New Americans to coordinate interagency work impacting new Americans; (2) funding for the Office of Citizenship and New Americans (OCNA) to facilitate direct assistance in filing RPI and Blue Card applications, naturalization exam preparation, and adult civics/ESL education; and (3) the creation of a public-private partnership to supplement OCNA's services and outreach.

Enforcement reform provisions NHLA supported include: (1) improvements to use-of-force policies and training for immigration agents; (2) the emphasis on alternatives to detention; (3) a limitation on immigration enforcement in locations such as schools, hospitals, churches, and domestic violence shelters; (4) the ability for the U.S. Department of Justice to commence a civil action against notarios; and (5) the creation of criminal penalties for notario fraud.
